

HURRAY! LEVEL 1!

15 March 2021

It's the simple things like a hot chocolate that make the day

Big thank you to all our volunteers in the kitchen this week

Spencer painted his house to add to our lockdown street mural

David enjoyed a tasty start to his day with a hot choc!

Morena Family, Friends and Students,

Welcome to Level 1 at Ranfurly. We are hoping this week that we can return our groups to some sense of normality and give students and staff a routine which we all need.

A big thank you for the efforts made by students and families (and staff!) to make our Level 2 bubble system work as well as possible.

We would also like to give you a quick heads up on our Art Expo – now renamed – “We Shall Survive” on Thursday 22nd April 6pm-8pm. Come out of those pesky bubbles and join us for art, friendship and give support to our artists and students who have had a challenging year.

We hope you have been making the most of our digital programme and our youtube this week. We have loved getting emails with photos of things you have been doing at home to keep busy over lockdown and seeing all of the drawings you did in the zoom drawing session.

Russell and his family documented all the steps of making a crumble for us all to follow along and make our own! Check out Russell's Rhubarb crumble video here: <https://youtu.be/CJlqknR63vE>

The Community Bubble has been very lucky to have two contractors visit this week. We have enjoyed some music and reading sessions with Stephanie. Lots of people had the opportunity to try the reading one to one sessions with Stephanie for the first time and enjoyed their lessons. We were also very happy to have Madeline come in and teach a Tai Chi class to our Community Bubble. She generously allowed us to film the session so that all Activity Students can practise their Tai Chi no matter where they are and no matter what covid level. This is exclusive to the Ranfurly community and can only be viewed through using the link here - <https://youtu.be/Mmi47BgdDBk> (you will not see this pop up on our youtube page)

Take care and keep safe.

From the Activity Centre Staff 😊
