

RED ZONE UPDATE

25 JANUARY 2022

Greetings from the Red Zone

Morning Everyone,

Following our discussions with the Ministry of Social Development we can confirm it is their expectation that the Activity Centre continues to offer a Vocational Service throughout the Red Setting. The plan is we intend to be open with possible limitations, dependant on staffing and the Omicron situation.

Any questions please ring 6304108 or email activitycentre@ranfurlycare.co.nz and we will try to answer your questions.

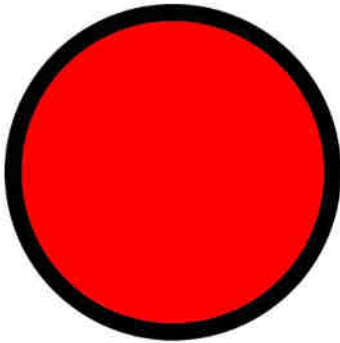

From Linda, Jo (Pandemic Manager) and Clive
