Kia ora,

It has been an exciting week with the Melbourne Cup Race! Congratulations to our winners! First prize winner was Helen, second prize went to Hannah and third prize went to Sam.

This week we have sent off all the calendar designs to the printers. There were so many wonderful designs. Thank you to everyone who sent something in for this.

Thank you to those who have sent in special happy memory photos. You will see in this weeks newsletter we have started a memories page with some of the submissions to remind us all of happy times and special moments we have had in our lives. We hope you enjoy this new addition to the newsletter.

Hannah sent us through a great resource from Action for Happiness. It is a calendar with a small challenge each day to try something new. We have attached it in our email.

Learning something new or getting involved in an activity that really absorbs and interests us is great for our wellbeing. Keeping our brains active is not only good for us physically but it can help you feel you are flourishing as you see yourself make progress with a new skill, or just make you smile as you make a mess and decide to start again.

Another exciting activity this week is our first zoom talent quest! Students have been practising hard to get their songs ready to perform on the digital stage. We are all looking forward to this fun afternoon.

It is encouraging to hear the news that Auckland will be going to Level 3 - step 2 next week, which we are dubbing "Shopping Level". We don't think this will make any significant difference or changes to what we are able to offer our community students so we will be carrying on with our current program.

A big thank you to Dianne for providing us all with some amazing spooky halloween treats! We also want to thank Karen and Rebecca for dropping us off some yummy goodies. We have been spoilt! While it doesn't help our covid kilos it sure helps us through the week!

It has been lovely to have a few new people join us on zoom this week! We always love to see new faces as well as our regulars. As always, feel free to give us a call and have a chat with us at the Activity Centre ph:6304108.
